

Become an iSelfToken Consultant: Turn Your Network into Income

Do you know entrepreneurs with great ideas or investors seeking new opportunities? iSelfToken's affiliate consultant program allows you to monetize your connections by referring startups for fundraising or introducing investors to promising ventures. For every token sold through your referrals, you earn a 2.5% commission - a simple, ethical, and transparent way to generate income from your network.

As Marcos Lacerda, CTO, states: "iSelfToken is once again innovating by creating a new professional category: the startup specialist — someone trained to guide everyday people in investing safely and strategically in the startup world."

What Does It Mean to Be an iSelfToken Affiliate Consultant?

Connect Startups and Investors

Act as a bridge between innovative startups and potential investors, facilitating valuable connections in the ecosystem.

Guide Founders

Help entrepreneurs understand the benefits of the platform and assist them in registering their projects effectively.

Present Opportunities

Showcase promising startups to potential investors, highlighting their unique value propositions and growth potential.

Earn Commissions

Receive a 2.5% commission on every token sold through your referrals, creating a sustainable income stream.

Who Can Become an iSelfToken Consultant?

Marketing & Sales Professionals

Leverage your existing skills in promotion and relationship building to connect startups with investors.

Startup Mentors & Advisors

Expand your impact by helping startups not only with advice but also with funding opportunities.

Independent Investment Agents

Add innovative startup opportunities to your portfolio of investment options for clients.

Networkers in Innovation

Turn your connections in innovation environments into a revenue-generating opportunity.

The Consultant Registration Process

Register as a Consultant

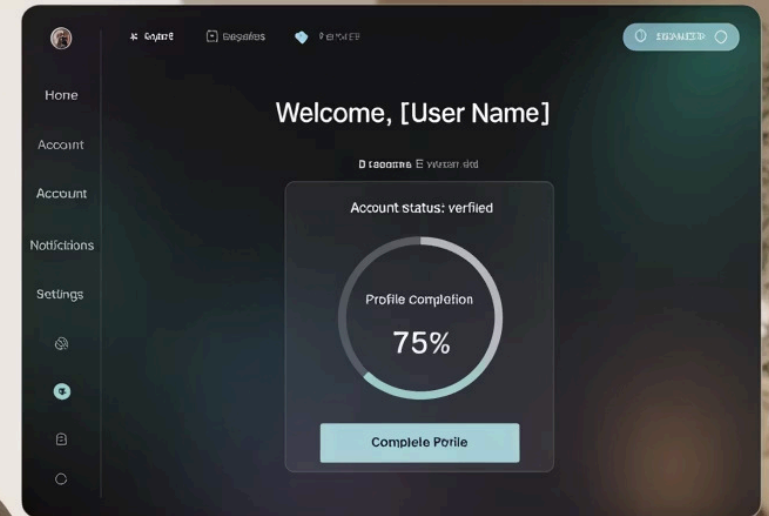

Complete the registration process on the iSelfToken platform to become an official affiliate consultant. This gives you access to all the tools and resources you need to start referring startups and investors.

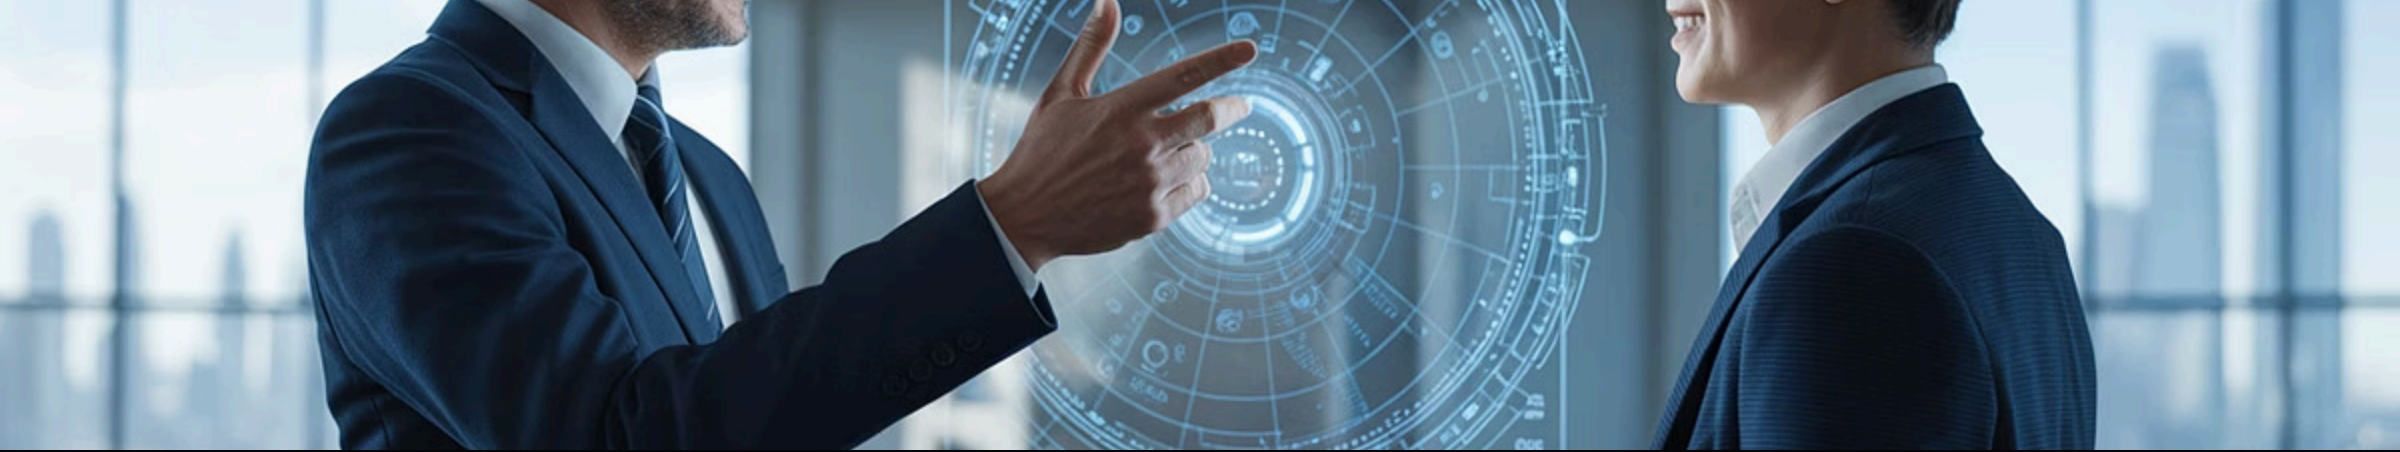

Receive Your Dashboard

Gain access to an exclusive dashboard with your personal referral link. This dashboard serves as your command center for tracking all your referral activities and commissions in real-time.

Start Referring

Begin connecting startups looking for funding with the platform and introducing potential investors to these opportunities. Each successful connection brings you closer to earning commissions.

How the Referral Process Works

Identify Potential Startups

Find promising startups in your network that could benefit from fundraising through tokenization on the iSelfToken platform.

Introduce to iSelfToken

Present the benefits of the platform to startup founders, explaining how tokenization can help them raise funds efficiently.

Help with Registration

Assist startups in registering on the platform and preparing their fundraising campaigns for maximum appeal to investors.

Connect with Investors

Introduce potential investors to the registered startups, highlighting the unique investment opportunities they present.

Tracking Your Success

Real-Time Dashboard

Monitor all your referral activities through a comprehensive dashboard that updates in real-time, giving you complete visibility into your performance.

Performance Analytics

Access detailed analytics about your referrals, including conversion rates, token sales, and commission earnings to optimize your strategy.

Commission Tracking

Keep track of all commissions earned from your referrals, with transparent reporting on how each commission was calculated and when it will be paid.

Potential Earnings as a Consultant

2.5%

Commission Rate

Earn this percentage on every token sold through your referrals, creating a scalable income opportunity.

R\$2,500

Single Startup Example

Potential commission from a startup selling R\$100,000 in tokens through your referrals.

R\$7,000+

Multiple Referrals

Possible earnings when helping three startups raise similar amounts over a few months.

Tips for Success as an iSelfToken Consultant

Present with Enthusiasm

Communicate the benefits of iSelfToken with clarity and genuine excitement. Your passion for the platform will be contagious and help convince both startups and investors of its value.

Focus on Quality Startups

Prioritize startups with solid projects, well-prepared teams, and clear market potential. Quality referrals lead to better success rates and higher commissions.

Leverage Your Channels

Utilize all your communication channels—social media, WhatsApp, email, and in-person networking—to promote opportunities and reach a wider audience.

Build Your Knowledge

Study the blog articles and platform resources to build your authority in the space. The more you understand about tokenization, the more valuable your guidance becomes.

Building Your Consultant Brand

Create Content

Share insights about startup investing through articles, videos, or social media posts to attract both founders and investors.

Expand Network

Actively participate in startup events, investment forums, and business communities to grow your potential referral base.

Collect Testimonials

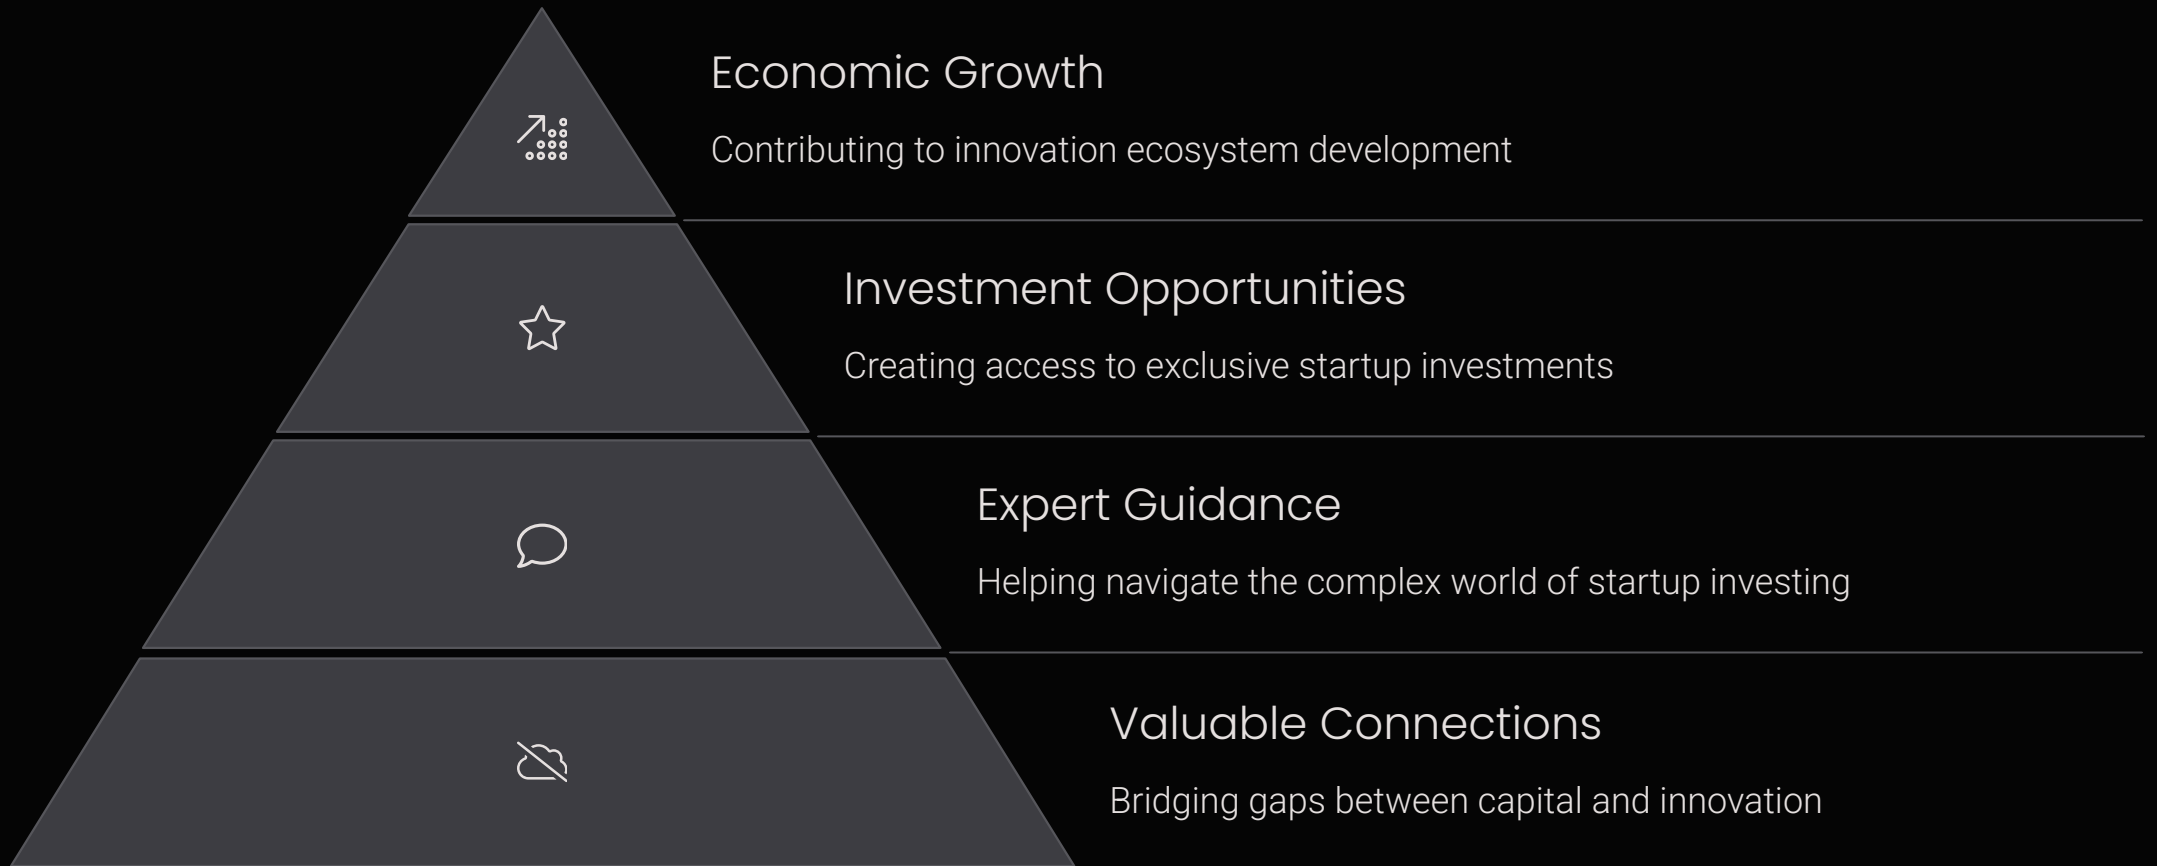

Document success stories from startups and investors you've helped to build credibility and attract new clients.

Develop Expertise

Become knowledgeable about tokenization, startup funding, and investment principles to position yourself as an authority in the space.
